

Dear Providers,

NC DHHS released new guidance for the Health Choice program regarding vaccines. UnitedHealthcare has reviewed the new guidance and is making system adjustments to allow for the TJ modifier. System updates will be implemented on 7/11/21. In the interim, vaccine claims for Health Choice members will be held to ensure accurate processing.

If you have any questions, please contact UnitedHealthcare provider services at 1-800-638-3302.
